Surrey Heath & Frimley Probus Club

What is Probus

A PROBUS Club is a local association of retired and semi-retired **PRO**fessional and **BUS**iness people.

Clubs meet regularly for fellowship and do not have any political or religious affiliations.

Each club elects its own officers, typically a chairman, vice-chairman, secretary, treasurer, speaker-finder and membership secretary.

PROBUS Clubs do not exist to raise money for charity, although some choose to run occasional fund-raising events.
